In explanation of the remedial power of these Pills over so great a variety of diseases, it may truthfully be said that their action upon the system is universal, not a gland or tissue escaping their sanative influence. \$500 REWARD
 is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Catarrh in the Head which they cannot cure.

SYMPTOMS OF CATARRH—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head to the throat, sometimes profuse, watery, and at others, thick, tenacious, mucous, purulent, bloody and purid; the eyes are weak and watery; there is a ringing in the ears, deafness, hawking or coughing to clear the throat, expectoration of offensive matter, together with a sense of burning; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-mentioned symptoms are likely to be present in any one case. Thousands of cases annually, without numbering half of the above symptoms, result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "Cold in the Head," Sore, and Catarrhal Headache.

Solely Druggists everywhere; 50 cents.

"Intolent Agony from Catarrh."
 Prof. W. H. HANSEN, the famous mesmerist, of Chicago, N. Y., writes: "I am ten years ago I suffered untold agony from a chronic catarrh. My family physician gave me up as incurable, and said I must die. My case was such a horror, that every day, towards sunset, my wife would become so hoarse I could hear her above a whisper. A morning after catching and clearing out, I could almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."
 THOMAS J. BISHOP, Esq., 292 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one who is only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent postage stamp.
